Cape Graduate Program – International Assignments

Civil / Mechanical / Petrochemical Engineering Graduates

Who We Are

We support plant operators in the oil and gas, power generation, chemical, minerals and mining sectors. We work on some of the largest projects in the world, often in challenging surroundings and locations. As a participant in the Cape Graduate Program you will be working on the front line supplying essential services with global leaders in this area. To learn more visit www.capeplc.com

The Opportunity

Cape is offering ten Graduate Trainee positions, worldwide, leading to international assignments, following an intensive 21 months program.

This is a demanding assignment aimed at hard working graduates, with a practical down-to-earth, approach to their work, who are quick learners, strong team players, proactive, self-motivated and have a real sense of ownership. You will be customer and commercially focused, be open to new experiences and you don't mind getting your hands dirty.

The Person

Candidates will be sourced from across all 30 countries where Cape works and we are looking for the “Best of the Best” to join our Regional operations; learn our business and quickly contribute to our future success.

Your degree MUST be in Civil, Mechanical or Petrochemical Engineering or the mentioned degrees plus one subject; it must be from an internationally recognised University. You must also be licensed to practice (PRC). You MUST speak and write English fluently (this will be tested). If you have gained one or two years’ experience in a field related to our business, this will be advantageous.

The Program

This will commence with a 3 months placement at our APAC Training Centre in Manila, which will cover both practical hands-on training in our key disciplines; Health and Safety procedures; Commercial and Estimating and Project Management, leading to a range of certifications. Future progress on the Program is conditional on securing all certifications. Following this, participants will work individually alongside a Cape Project Manager on a selected project within their Region for 9 months, followed by a further 9 months assignment carrying specific personal responsibilities.

Application Process

Applications can ONLY be made by email.

Please include details of why you believe you should be considered for the Program and the following in PDF FORMAT ONLY. Please note: any application containing other attachments will be deleted. Please attach IN THE ORDER BELOW.

1. Your License to practice
2. Your Degree Certificate
3. TOR or Certificate of Grade
4. Your current and detailed CV
5. Your Passport (picture / detail page ONLY)

Please email your Application to: cgp.apac@capeplc.com

Please Note: Only successful applicants who are going forward into the initial selection process will be responded to. If we have not contacted you within 7 days of your application you have not been successful. We will not enter into ANY correspondence over applications. This is due to the exceptionally heavy response that this Program generates. Thank you for applying
