ROSETTE EIRA E. CAMUS

*Placement Director*

---

*Date*
Nova Founders helps young Internet companies towards global growth. We have successful multinational businesses with teams across multiple geographies. We are currently setting up an exciting and innovative Mobile App company in the Philippines and are looking for talented people who are interested in new technologies.

Join us and work with us on the next amazing internet ventures!

What we offer
- Placement in an international company with amazing opportunities for personal and professional development.
- Challenging and diversified tasks with direct responsibility and a steep learning curve.
- An amazing network – you will be in direct contact with CEOs, Managing Directors, CMOs and senior marketing executives across a diverse range of industries.
- Competitive salary and invaluable insights to all relevant aspects of running a company.

Your Profile:
- You are a hands-on person, extremely smart and super hardworking, very structured and with strong team and entrepreneurial spirit, always eager to learn more.
- You have a degree in Business (Marketing, Business Administration), Finance or equivalent and you were at the top of your class
- Written and oral fluency in English is required.

Your responsibilities
- As a Junior Business Developer you will be responsible for managing and executing all customer touch-points for one of our ventures in the Philippines.
- You will be responsible for existing and new customer accounts and overseeing the customer service team in providing technical or operational assistance to the same.
- You will oversee and execute the processing, invoicing and collection of customer billing.
- You will also assist with new customer acquisition by providing help on an operational side.
- You will work on the company’s further improvement and development while working together closely with the Managing Director and Vice President.
