

Republic of the Philippines
OFFICE OF THE PRESIDENT
COMMISSION ON HIGHER EDUCATION

ANNOUNCEMENT

FOR : **ALL CONCERNED**

FROM : 
PATRICIA B. LICUANAN, Ph.D.
Chairperson

SUBJECT : **PHILIPPINE-CALIFORNIA ADVANCED RESEARCH
INSTITUTES (PCARI) SCHOLARSHIPS PROJECT**

The objective of the PCARI Scholarships Project is to develop a critical mass of scientists, technologists and innovators in Philippine HEIs capable of generating and translating technologies into innovations that will address societal problems. Scholars under this project will have an opportunity to interact with the world's elite research universities and will be part of the top talents in the country who are active in fundamental and applied research relevant to the country's socio-economic development and the long-term competitiveness of the Philippines.

We are pleased to announce that we are now accepting applicants for the following programs:

- ❖ Degree Programs (Local/Foreign)
 - Master's Degree Program with Thesis or Project
 - Full Ph.D. Program
 - Sandwich Programs for Master's and Doctoral Degrees
- ❖ Non-Degree Programs (Local/Foreign)
 - Postdoctoral Study Award

The specifics of these scholarship programs may be found in the attached PCARI Scholarship Guidelines and application packet.
